## Foreword

The sounds of silence then wham!—school's open. A new school year with new books, new classes and a new administration. Rushing to classes, to buses, to lunch; STOP! Where are we all going? Sweating through tests, doing homework, winning games, losing games, cheering, making friendships, and wondering if we'll ever make it through the ups and downs that every school year brings. Soon new faces become familiar, new books old and used, and new schedules become routine. In Memiors 1970 we have tried to preserve some of the memories that made up our school year. Wasn't it a great year?

# Spring...

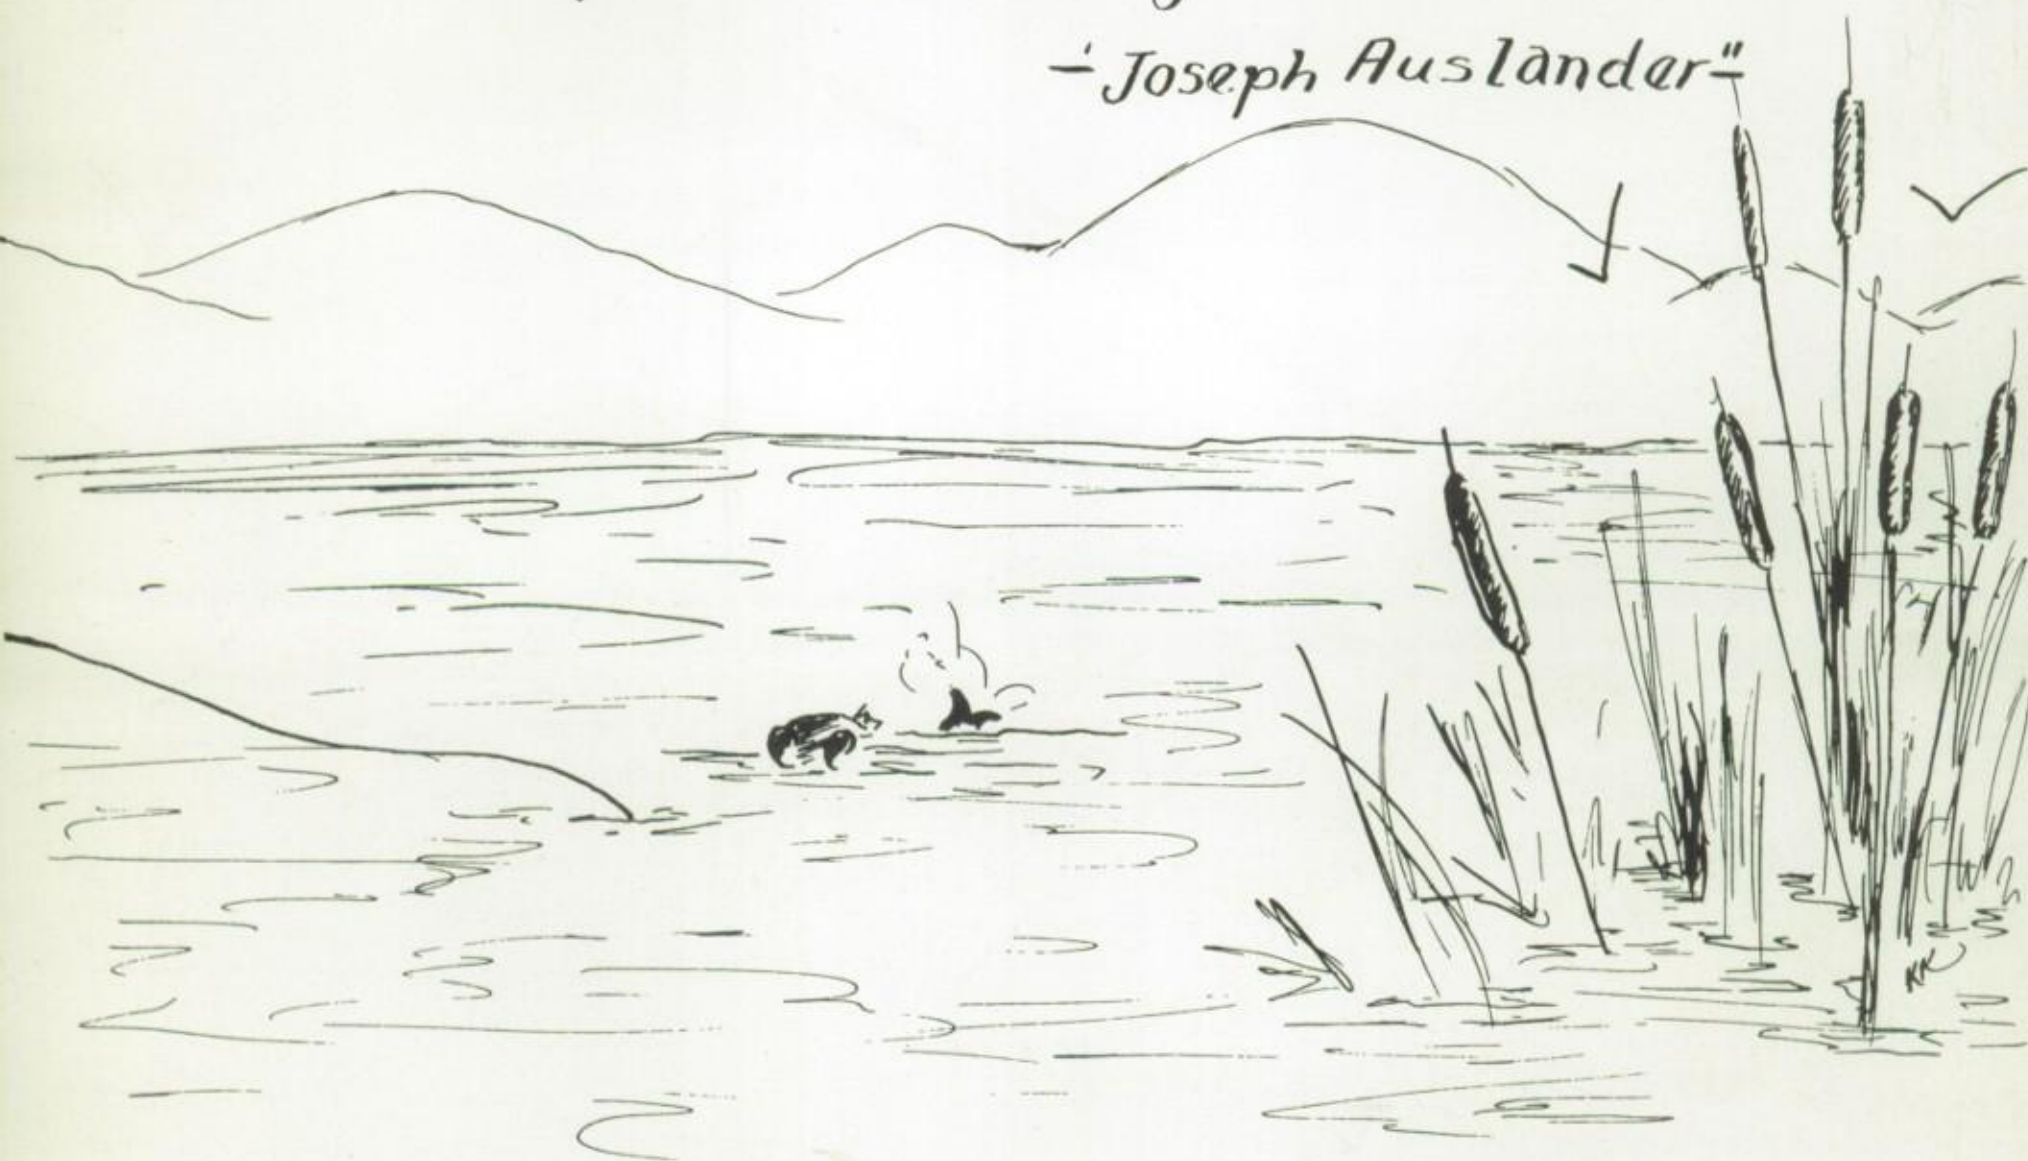

had come,

Like the silver needle-note of  
a fife,

Like a white plume, a green lance  
and a glittering knife

And a jubilant drum.

—Joseph Ausländer—

# Beginning of the End

Excitement, anticipation and shiny new rings for Juniors; the Ring Dance, CAROUSEL, was held in the gym for the first time. This event marked the beginning of the end of our high school days. Our class rings are circles, continuous, the end is always the beginning. They symbolize the end of our high school year and the beginning of a new phase of life.

Jill Jackson receives her ring from Mr. Doyle.

Pam Finke receives her ring from Happy Warner.

Bob Williams and Brian Wells.

# Carnival

Lights, scripts, music, stagefright, make-up, costumes; CARNIVAL debuts at R-C-S on March 21st. Color and excitement filled the air with electricity. Rehearsals, lines, aggravation. Miss Joyce Davis directed the fine cast starring Deb Diacetis, Bob Williams, Wayne Winne, and Linda Thayer in the bright comedy of a young French waif who finds love and happiness in a broken-down traveling carnival. Audience, applause, a successful performance.

Fred Schnur talking to Paul's puppet.

Debbie Diacetis, Wayne Winne, and Fred Schnur.

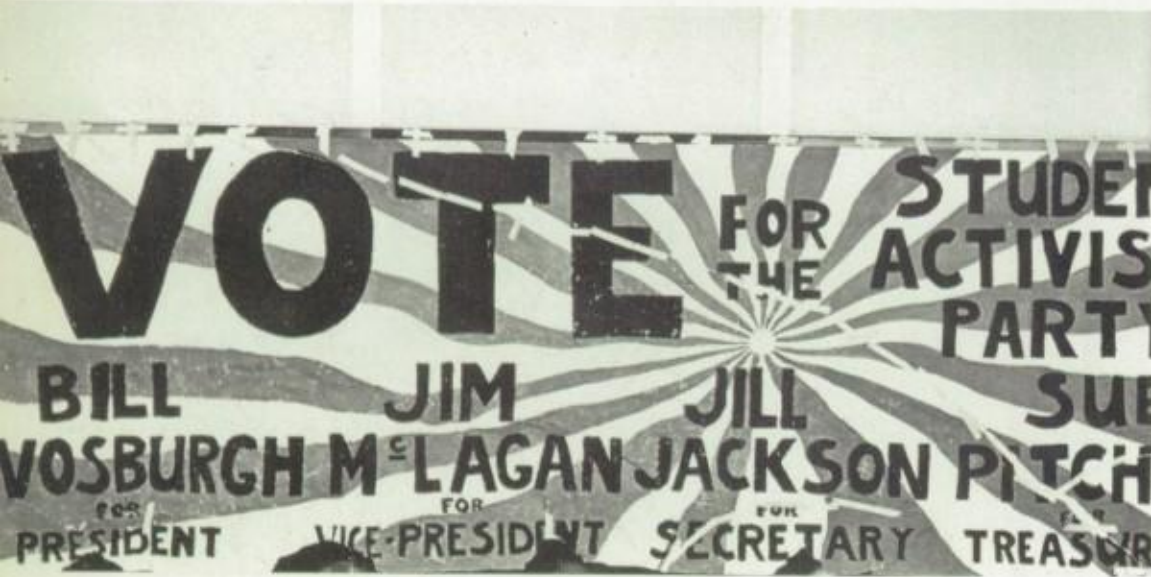

Jim Covey and Debbie Diacetis.

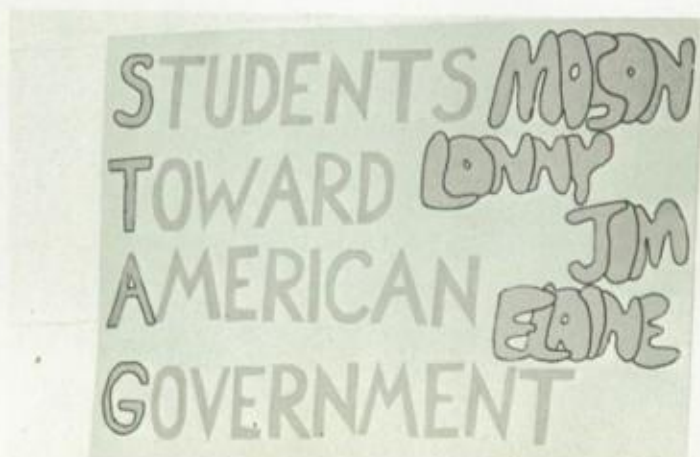

# Democracy in action

Work, time, and effort went into this year's student council elections. With many student controversies in progress, the various political parties could build their platforms strongly. Speeches, Selections, Moving-Up-Day: a straight party ticket: Bill Vosburgh, President; Jim McLagan, Vice-President; Jill Jackson, Secretary; Sue Pitcher, Treasurer.

Bill Vosburgh delivering his speech.

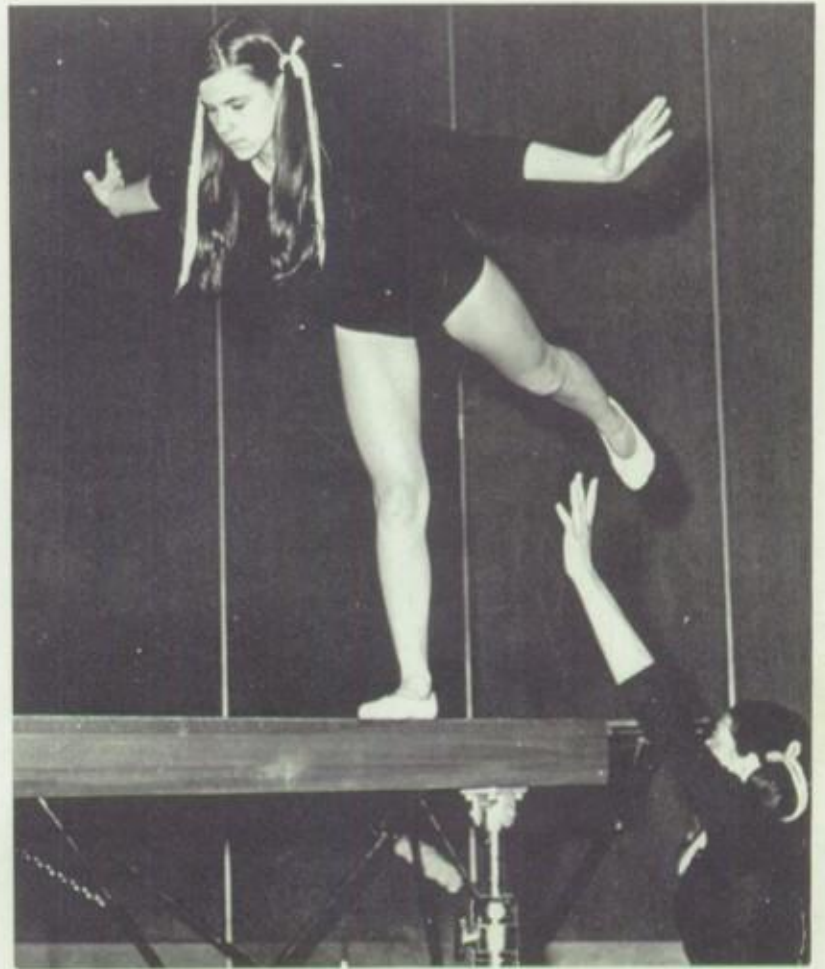

Robin Boyd demonstrates on the potter's wheel.

# Observing and Learning

Students, parents, children; all part of an exciting school fair. Experiments, silent-movies, gym show, specialties of the night, exhibiting the talents of the school, giving enjoyment on the part of both participants and visitors alike.

## Stranger in Paradise

Glitter, gowns, glowing faces, flowers, fun, fantasy: all parts of a wonderful night. Our prom "Stranger In Paradise"; the most important dance of the year. Harry Raymond and his band supplied the music and refreshments were served in the tropical setting of the cafeteria. The gymnasium was transformed into a tropical paradise. Amid the palms, deep blue starlite sky, and the quaint grass huts, couples danced, talked, laughed, and formed memories.

Excitement and anticipation: the coronation. The Girls: Jill Jackson, Pam Jackson, Harriet (Happy) Warner, and Connie Moore. The Boys: Terry Castle, Mike Albano, Anthony (Chipper) Scalzo, and Jim Rickard. Who has been chosen to reign?

Suspense, wonder, hoping: against a background of sky sea, and palms, Harriet (Happy) and Jim were crowned by the retiring queen and king, Joanne Jackson and Larry Wyche.

Memories, crushed flowers, pictures, center pieces will bring back the happiness and joy of our Junior Prom each time we think of it.

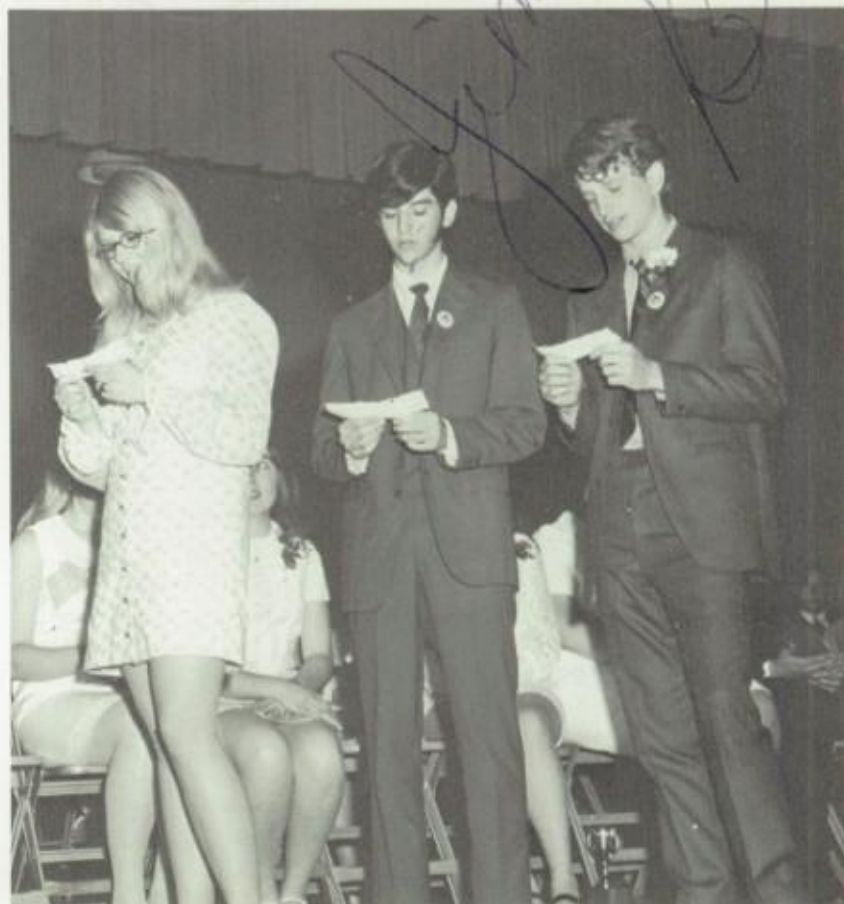

# Day of recognition

Awards, speeches, prophecies, laughter, and solemn moments. The Seniors in white, Juniors in blue, Sophomores in pink, and Freshmen in green. There are memories relived and futures predicted. New Student Council officers are tapped and Hall of Fame Seniors announced. Athletic abilities are rewarded and scholastic talents honored. This is the moment when everyone becomes aware of the big day in June, Commencement.

Newly elected Student Council officers: Jill Jackson, Jim McLagan, Bill Vosburgh; missing, Sue Pitcher.

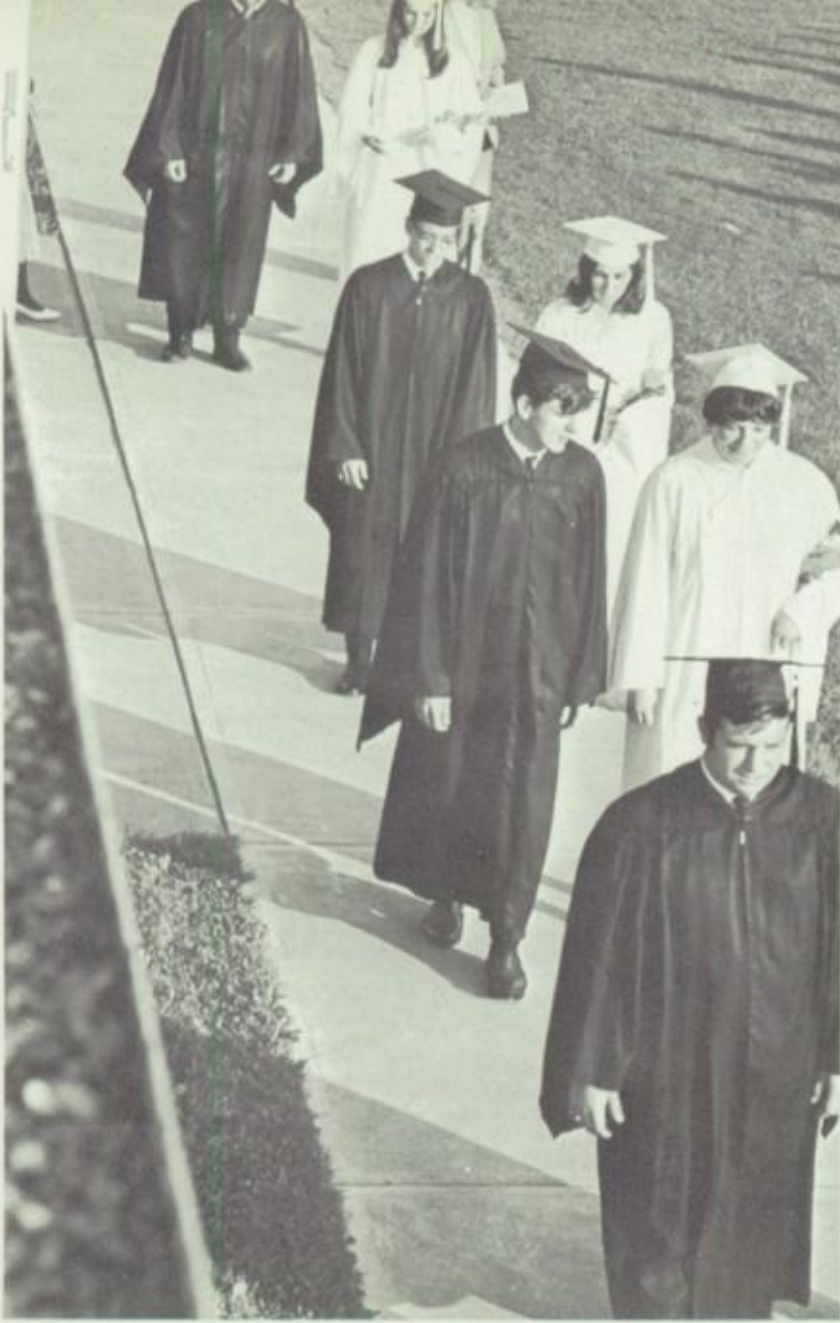

Laura Warner gives the Sophomore tribute to the Seniors.

Blood, sweat, tears, practice: all the efforts needed to succeed. Strength, speed, agility: the results of work and determination. Victory, defeat, never giving up, competing through hot and cold, rain, and wind. Spirit, drive, reaching for glory. Running, jumping, vaulting, putting, and throwing: last year's track team with Coaches Howard Hulbert and Louis Rosamilia brought R-C-S another reason to be proud of its young men.

Dr. William E. Hunt  
Principal

Dear Students,

I would like to extend my sincere congratulations to the graduates of the class of 1970. It has been a pleasure for me to have been associated with all of you.

The commencement exercises in June will conclude your high school years. However, although this is the end of your elementary and secondary education, the word commencement means the beginning of a new life for each of you. The road through life at times becomes difficult, but because of the assistance and the counseling given to you over the years by your family, your community and your school, I am sure that you will be able to face these problems realistically.

It is my hope that in future years when the members of the class of 1970 get together to reminisce, they will agree that the "good old days" at old R-C-S, were indeed, the good old days.

First step to Varsity: The greatest reward is not always glory, as the Freshmen well know. Learning plays, skills, co-operation and sportsmanship sometimes are the only results of a hard season.

Second step to Varsity: The Junior Varsity fared better than the Freshmen. Kicking, passing, punting, running perfected to Varsity level. With Sophomores and Juniors moving to Varsity; next year is the year.

ROW ONE: N. Cross, L. Tiberia, G. Furst, G. Jones, J. Starr, F. Giovannetti, S. Miller. ROW TWO: J. Albano, S. Grechny, C. Smith, D. Keeler, W. Burlingame, K. Hotaling, R. Filkins, N. Schimmell, R. # Varsity

Running, passing, driving, kicking; this is the game of football. Agility, strength, determination, and drive this is what makes a football player. Tackle after tackle, blow after blow, up from the ground to face the opponent again. Six wins, one loss, and one tie a great record! Second place in the Council. R-C-S is always getting better. Coach Ralston and his team will be even greater next year. Seniors will be missed, but underclassmen are ready to shoulder the load.

Running through rain, mud, up and down hills, on grass and pavement? Yes, that is Cross Country! Endurance, heart, strong legs and good wind; that's what it takes. There is no cinder track, no flat field, always different landscape, about 2.6 miles of land the way nature made it. Congratulations go to Coach Carrk and his determined group of men who ran the rugged sport. Six consecutive championships is quite a record!

When we're up, we're up; when we're down, we just keep trying. Layups and lectures; shooting and passing; winning and losing. What we lacked in height, we had in heart. Close, heartbreaking games.

Next year we'll be losing only a few seniors and with a year's experience; watch out! Indians will be on the warpath again.

**KNOW WHAT HAPPENS  
WHEN YOU GO TO A SMALL COLLEGE?**

**THE TEACHERS KNOW WHO YOU ARE.**

If you're interested in a small college with a great faculty that is interested in helping you get the meaningful and rewarding college education you seek, why not investigate The College of Saint Rose, a liberal arts college for women.

Small classes will let your teachers get to know you, and you'll get to know them, in the classroom and after class, at lunch, or over coffee. You'll have more opportunity for independent research and study. You'll learn more because you'll be challenged more . . . because the accent will be on you.

For information about programs of study and admission requirements, write to the Director of Admissions.
